Company commentary

- Banking holdings were among the Company's top contributors in May, including ING Groep, Lloyds Bank, Allied Irish Bank and Bank of Ireland. Copper miner Teck Resources was also a strong contributor as the copper price peaked at over US \$5 per pound intra month.
- The Company had few large detractors in May. Gaming operator Sands China fell behind other gaming holdings, and with noise around the Mexican elections Grupo Mexico lagged the strong performance of the Company's other copper mining exposures.
- The Company trimmed its position in copper miner Freeport McMoran and added to positions in Sands China, pharmaceutical company Royalty Pharma, and bank Intesa Sanpaolo.
